

# I'll Be Missing You

Puff Daddy og Faith Evans

---

Seems like yesterday we used to rock the show I lace the track you lock the flow  
So far from hanging on the block of dough  
Notorious they got to know that Life ain't always as they seem to be  
Words can't express what you mean to me  
And though you're gone We still a team Through your family I'll fulfill your dreams  
In the future can't wait to see If you'll open up the gates for me  
Remenice sometime The night they took my friend  
Try to black it out but it plays again When it's weird feelin' it's really hard to conceal  
Can't imagine all the pain I feel  
Give everything to hear half your breath I know you still livin' your life after death  
Every step I take  
Every move I make  
Every single day  
Every time I pray  
I'll be missing you  
Thinking of the day  
When you went away  
What a life to take  
What a bond to break  
I'll be missing you  
It's kind of hard with you not around Know you in heaven smilin' down  
Watchin' us while we pray for you Everyday we pray for you  
Till the day we meet again In my heart is where I'll keep you friend  
Memories give me the strength I need to proceed Strength I need to believe  
My thoughts big I just can't define Wish I could turn back the hands of time  
Bust in the 6 Shop for new clothes and kicks  
You and me taking flicks Making hits stages they receive you on  
Still can't believe you're gone  
Give anything to hear half your breath I know you still livin' your life after death  
CHORUS  
Somebody tell me why One glad morning  
When this life is over I know I'll see your face  
Every night I pray Every step I take Every move I make Every single day  
CHORUS
